The Parish Council would like to say a big thank you to Robin and Charlie for maintaining our existing website irnham.org for many years. Unfortunately the software used will no longer be available and so the Parish Council are moving the Parish website to a platform hosted by Lincolnshire County Council. The old website will remain live until at least the end of 2022. All residents are encouraged to let the Clerk know about any information you would like to see on the website or have links to. Where appropriate all information from the existing website will be transferred to the new site.

UPDATE OCTOBER 2022 CONTINUED

Your Parish Council Plans:

We continue to develop ideas for a new village sign in the centre of Irnham. We would like to present two different options with costings and see this as an appropriate project to mark the Coronation, if funds allow. Options will be presented as soon as possible for comment. If anyone is interested in making a financial contribution to this project please do let the Clerk know your thoughts.

Ever considered joining your Parish Council?

If any resident of the Parish would like to join the Parish Council we will be very happy to explain the role and would welcome them at the November meeting. We are also looking for someone with experience of Parish Council Clerk work to join the Council. This would suit someone who also works for other Councils as the work would not involve many hours.

Contact Details for the Clerk: irnhamclerk@btinternet.com
