### What has been achieved in 2019?

- **FASTER BROADBAND** now available in Irnham and Bulby. Plans to bring faster broadband to Hawthorpe will be confirmed in March 2020.
- **Established a Neighbourhood Watch WhatsApp Group.** This has proved very useful and thanks to our NW coordinator we have also been able to install new NW signs in Bulby and Hawthorpe.  
**Remember if you see anything suspicious report it immediately on 101.** You may prevent further crimes being committed.
- **Re-opening of the refurbished Griffin Inn.** Thanks to Jamie and Leila Benton Jones for their enthusiasm to re-open the pub. As well as great food and drink they welcome community events. SEE BELOW.
- **Supported the Bourne CiCLE Event as it passed through Irnham.** Thanks to all who came and enjoyed tea and cakes while waiting for the cyclists. Donations for the Lincs and Notts Air Ambulance amounted to £138.21.
- **Some improvements to the roads in the Parish.** Councillors have continued to report and follow up pot hole problems to LCC. Resurfacing of Irnham village and Swinstead Road is scheduled for next year. Councillors are also planning to install an interactive speed sign to encourage drivers to slow down through the village.
